.5-25 HP | RECIPROCATING AIR COMPRESSORS

# Climate Control

Meeting your Needs,  
**Exceeding** your  
Highest **Expectations**

# Distinct **Value** Ultimate Dependability

## A Winning Combination

With today's sophisticated climate control systems, a lot can depend on the performance of an air compressor. Gardner Denver air compressors are known world wide for trouble-free operation, long life, and built-in efficiencies. You can count on them to keep operating smoothly.

## The Solution to your Application

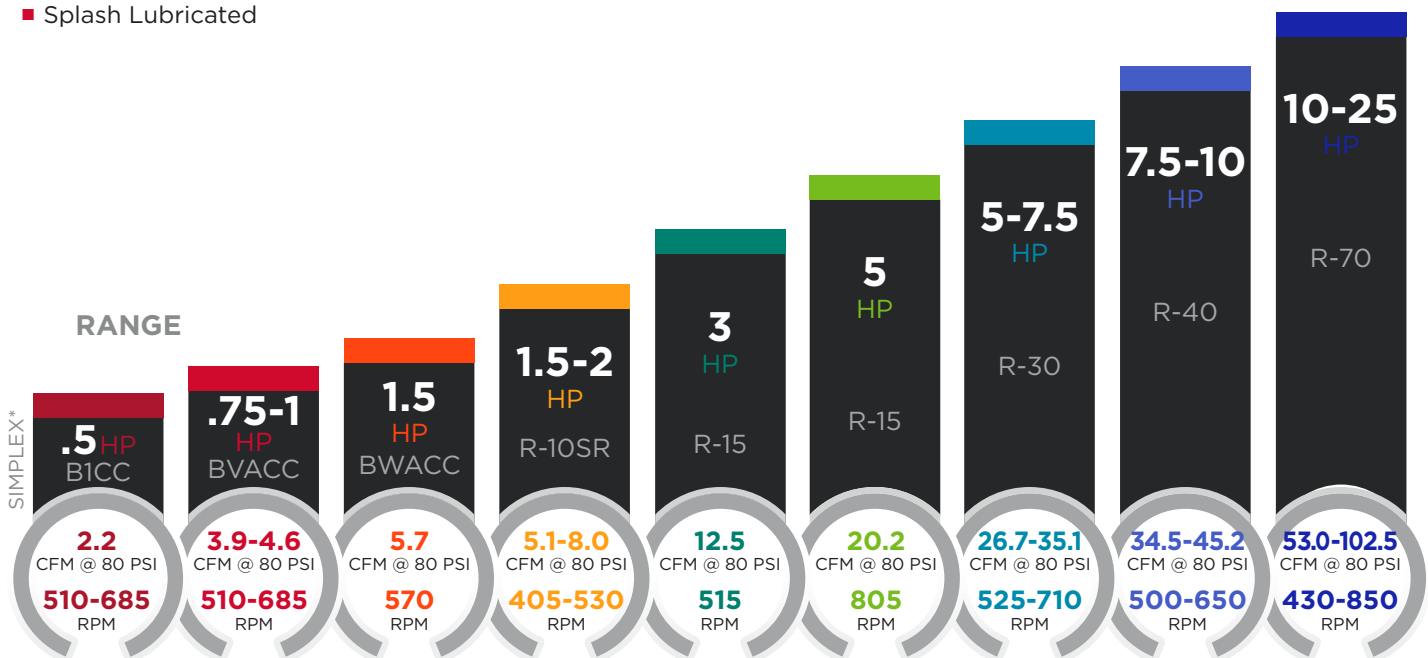

The Gardner Denver line of specially designed climate control compressors represents years of intensive industrial research and testing. Gardner Denver has designed a line of machines suitable to critical industry demands for value and lasting performance, with features others only wish they could offer.

# Design Advantage

- .5-25HP Range
- 80 PSI
- Simplex or Duplex Horizontal tank configurations
- Mounted Dryer option
- Single Stage pump 0.5-1.5HP Utilizes special B1, BVA and BWA pumps
- Two Stage pump 1.5-25HP Utilizes Legendary R-Series pump
- Splash Lubricated

\*Double CFM values for Duplex Units

# Compressor Pump Features

- Multi-finned cylinders for cooler operating temperatures
- Integral cylinder/head designed without gaskets to eliminate the possibility of blown head gaskets (Two-stage models only)
- Large diameter finned tubing is used on our inter-coolers for maximum compressor efficiency (Two-stage models only)
- Industrial grade intake filter
- weights to minimize vibration

## Standard Features

- Certified low oil carry over of 2 PPM
- Low operating RPM
- Lower operating temperatures
- Greater energy efficiency
- Inlet filter silencers
- ASME coded air receiver
- NEMA rated electric motors
- 0-300 PSI air pressure gauge on receiver
- Factory fill with AEON reciprocating compressor lubricant
- 1-Year warranty

## Available Options

- Magnetic starter
- Flexible connectors
- Automatic receiver drain
- Refrigerated air dryers
- Control panels
- Vibration isolator mounts

# Aftermarket Parts & Lubricants

## Protect Your Investment in Gardner Denver

Only Gardner Denver can provide the assurance that your investment will maintain the productivity your business requires. Regular maintenance and service will ensure that you continue to enjoy the productivity and benefits that Gardner Denver products provide.

## Reliability

Only Gardner Denver can provide parts and services designed specifically with your business in mind. All parts and lubricants have been engineered to the highest standards and rigorously tested to meet the most stringent quality measures.

## Performance

Gardner Denver understands the importance of performance and efficiency to your business. Only Gardner Denver can provide factory certified parts that ensure your investment will continue to perform year after year with the same reliability and efficiency as when new.

## Ease of Doing Business

Only Gardner Denver can provide the peace of mind of turning to one supplier and one source for all aftermarket needs. Gardner Denver has the support network in place to handle all of your customer service, service and technical support where and when you need it.

## Value

Only Gardner Denver can provide high quality aftermarket parts and services for the life of your investment. Proper care of your investment is vital to the equipment's performance and efficiency. Rely on a trusted source—Gardner Denver.

For further assistance, contact your local authorized Gardner Denver distributor.

# Sales & Service **Distributors** Across America

## An Extensive Network

By leveraging the extensive network of Gardner Denver factory-trained authorized local distributors, your sales, service and technical support needs can be handled quickly and easily.
